

After signing your contract

Congratulations on securing your homesite at Vertex Private Estate, Yanchep.

LWP has put together the following information to help make your purchasing experience a smooth and enjoyable one.

Please read through the information below and should you have any questions, please contact your sales representative on 0497 007 977.

Signing your building contract

It is important at this time to keep all of your paperwork together.

When you enter into a contract with a builder, please ensure you provide a copy of your contract to your builder.

This will ensure that the builder is aware of all design guidelines and covenants related to your homesite.

Settlement Agent

You will need to nominate a settlement representative at the earliest opportunity either at or shortly after signing your contract. Your settlement agent will be responsible for preparation of the transfer of land documentation and lodgement of your contract for stamp duty assessment.

Finance Approval & Settlement

It is important to know when your formal (unconditional) finance approval is due to LWP. This due date will be on your Offer & Acceptance Contract and a copy of your formal approval letter from your lender will be required to be sent to LWP by this due date.

Settlement will be no later than a) within 21 days from unconditional finance approval, or b) within 14 days of issue of title.
